Never Forgot TEN

Leominster High School has taught it's students how to shine and become the greatest and brightest stars they can be. This year the seniors have shown what they can do and that nothing is unattainable. As the Class of 2010, the seniors wanted to make their years at Leominster High School impossible to forget. The long lasting memories created will be remembered for years to come. The second art cover contest was held this year and as a result, the seniors Luis Amaya and Sam Tumenas have proven to be the best. Luis' artwork was chosen as the cover while Sam's became the page divider. Both of their artwork make use of stars, representing what the seniors are. The 2010 yearbook class wanted to incorporate the word "ten" as a theme and therefore, the senior class as a whole will always and forever be "Never Forgot TEN".

Class Of

2010

Class★

Freshman Year

The class of 2010 walked into Leominster High School for the first time in August 2006. During this year we voted for our first class officers.

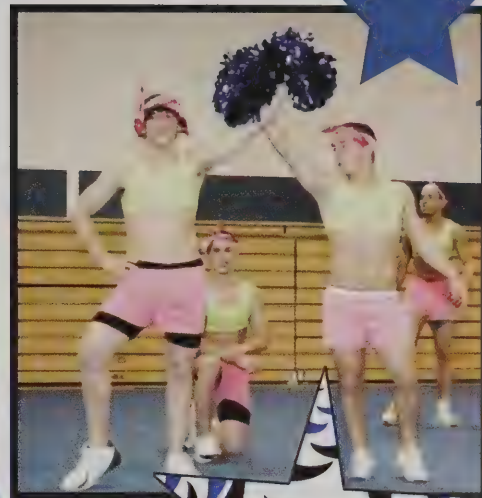

They consisted of our President Ryan Lagoy, Vice President Lauren Brasili, Secretary Ariana Vallee, and Treasurer Anthony DeCicco. Mrs. Cucchiara and Ms. Cloutier volunteered to become our class advisors. We gladly elected Megan Force and Franklin Gonzalez as our homecoming couple in September. While some of us became involved in sports, others participated in the All-School Play, "Annie Get Your Gun". As our school year progressed we all became more mature and adapted to the new high school life. We looked forward to our sophomore year and no longer being known as the new freshmen.

Sophomore Year

In August of 2007, the class of 2010 reentered highschool, not as the underdog freshmen we had been before, but as sophomores, one year closer to being on top. The class was led by student council members Ryan Lagoy as President, Lauren Brasili as Vice President, Lisa Dinh as Secretary, and Anthony Decicco as Treasurer. In the fall, the Homecoming titles were recieved by Michael Veneziano and Grace Dougherty. The Blue Devils football team came out on top on Thanksgiving morning, beating Fitchburg's Red Raiders with the final score of 14-13. The All-School play was "Grease". By the end of the year, we realized we were halfway there.

History

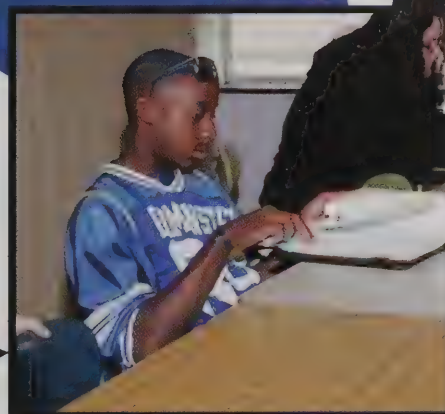

Junior Year

Once again entering the doors of LHS in August 2008, we were finally no longer considered underclassmen. With

Mr. Brown as our Principle and Mrs. Tuzzolo as our new Headmaster we were ready to get the year off to a good start. We elected Alex Carignan as our new class President, Lauren Brasili as our Vice President, Anthony Decicco as our class Treasurer, and Dihanna Duarte as our Secretary. Our Homecoming couple was Michela Cupo and Alex Carignan. The All- School play in 2008 was "The Little Shop of Horrors". With the loss of our rival game against Fitchburg, we planned to give our all in 2009. Not only did we plan to defeat our rivals, we were ready to take over and rule the school as seniors in 2009/ 2010.

Senior Year

Our final year began in September 2009 when our class returned to Leominster High School as seniors. Led by our class advisors Mrs. Cloutier and Mrs. Cuchiarra, we were sure to have a great senior year. At the head of the class were student council members Lauren Brasili as President, Alicia Ranucci as Vice President, Dahiana Duarte as Secretary, and Anthony Decicco as Treasurer. The class chose Mark Tata and Alyssa Gaudreault as our king and queen and Garrett Langen and Leah Cauley as the runner ups. Our play this year was "Annie" and had great success. At our annual Thanksgiving Day game, we came out with a proud win against the Fitchburg Red Raiders with a score of 21-6. Now that we are seniors and looking back at our previous years we have all seen how much we have grown and progressed. Its now up to us what our futures become and we all want to wish the best to the years below us. As the days keep getting closer to graduation, we continue to make memories in this high school that everyone will always remember.

Powder Puff

After a couple years of trying to have the first powder puff game Leominster High School has ever had, the first successful game was played on November 17th, 2009 between the Class of 2010 and 2011. It was a cold day at Doyle Field as the senior and junior girls competed in an intense game of flag football. After weeks of practice, each team wanted to come out victorious. However, after a long, deadlock game neither team had won, ending in a tying score of 6-6.

Senior Breakfast

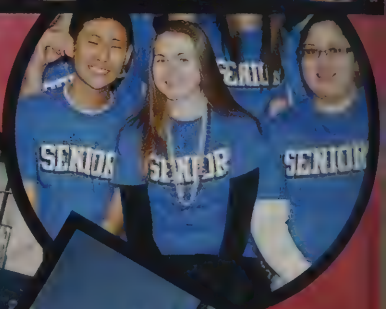

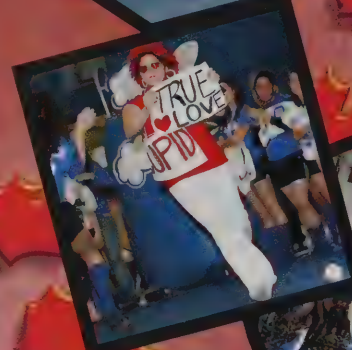

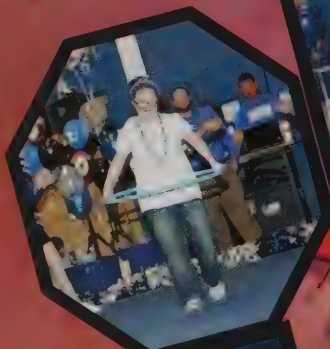

On Tuesday, November 24, 2009, the Class of 2010 gathered together to enjoy a delicious breakfast of french toast, eggs, bacon, sausage, and muffins. The meal was made by our very own Culinary Department in CTE. Everyone was excited to get together and go see the Thanksgiving Day Rally afterwards.

Thanksgiving Rally

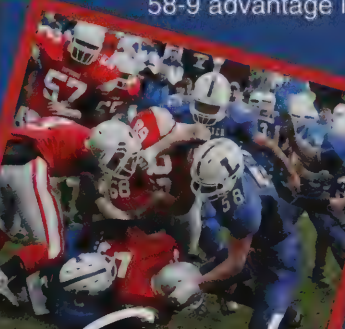

The Class of 2010 presented the greatest rally ever seen at LHS/CTE on the Tuesday before Thanksgiving! Emcees Michela Cupo and Mike Duarte roused the fans whom were entertained with skits presented by the mock cheerleaders and football players, a fabulous "hula-hooping" display by Heather Anable, and outstanding performances by our Step Squad and award-winning cheerleaders. The 2010 "Fan of the Year" award was presented to Matt Houle, a long time volunteer for a variety of Leominster sports teams. The enthusiastic fans were rewarded on "Turkey Day", as our Blue Devils' football team was the victorious over our arch rivals, the Fitchburg Red Raiders, with a score of 21-6!

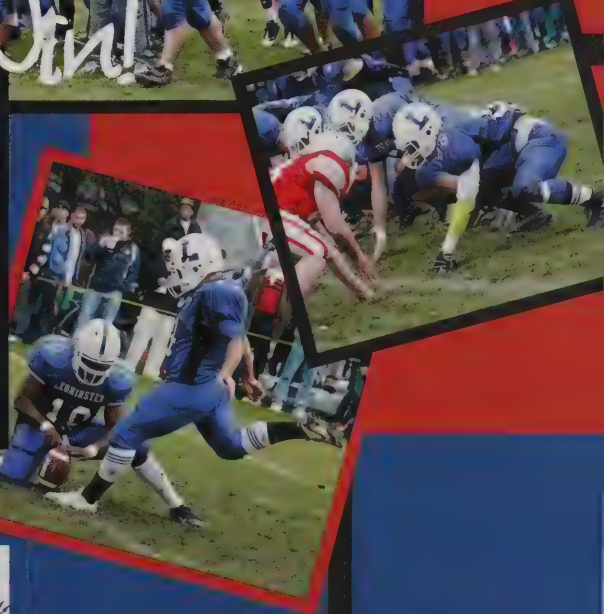

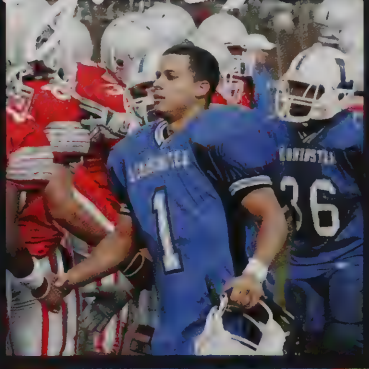

Thanksgiving Game

21-6

The Blue Devils brought their punishing defense to Crocker Field Thursday, November 26nd as Leominster High School emerged with a 21-6 victory over host Fitchburg in the annual Thanksgiving Day rivalry football game. The Red Raiders had no answer for the 1-2 punch of Leominster quarter back Curtis Ludden and running back Malik Daniel. Ludden racked up 79 yards and a touch down on the ground, while fellow senior Daniels ran for 92 yards on 16 carries for the Blue Devils. Leominster benefited from a 1 yard touch down plunge by Cortez Ludden in the first quarter, then pulled ahead 14-0 after junior Nicholas Wilford recovered a fumble in the end zone in the second. The Blue Devils avenged last years 20-17 over time lost at Doyle Field. Leominster has won five of the past 6 meetings, but Fitchburg still holds a razor thin, 59-58-9 advantage in the rivalry's history.

Thomas Browne Principal

To the Members of the LHS Class of 2010,

As I wrote this note, the cold winds of winter were blowing and the images of a sunny day on the first Saturday in June on Doyle Field seemed far off. However, as you read this note, I assume for many your senior year has flown by in a blur. Whatever the case may be, the fact of the matter is that while you read this note you are now graduates of Leominster High School!

The annual Yearbook letter is actually quite difficult for me to write. Naturally, I am asked to write it to "the LHS Class of 2010" as a whole. Thus, I can congratulate you all and send you off with fond wishes of success, but it does not allow me to celebrate the individual paths that each of you took to accomplish this wonderful goal of receiving a diploma. Be assured that I am aware that each of you had different highs and lows, and I am incredibly proud of your success.

That being said, I implore you to continue your efforts to find success in life as you resume your journey toward a college degree, a new profession, service for your nation, or the eventual start of a new family. I have no doubt that you will represent LHS well, and I look forward to hearing about your future success.

Good Luck and Farewell,

Thomas Browne

The 2009 Varsity Field Hockey team have worked hard together to start the season off right by winning games early in the season. Led by a strong senior class, the blue devils were able to qualify for districts halfway through the season. An intense first round of playoffs was played against Notre Dame, winning 1-0 after a double over time stroke-off. Advancing into quarter-finals against Westborough, the field hockey team's journey in districts was cut short after losing 4-0. Despite the loss, the devils ended a remarkable season with an impressive overall record of 11-7-2, a league record of 7-4-1. Coach Nicholson also made this year unforgettable as she obtained her one hundredth win against Milford.

The 2009 golf campaign saw the Varsity Golf Team return to prominence as it earned its third trip to the Massachusetts State Golf Championship in the last five years and its fourth overall under Head Coach Daryl Robichaud. This State Championship was held at The Golf Club at Turner Hill in Ipswich, Massachusetts. The year began with a change in venue for its home matches. The team left its previous course, Monoosnock Country Club, for the expanded facilities at Sterling National Country Club. The change was a welcomed one as the team enjoyed improved access to the course and range as well as the benefit of playing on one of the finest courses in the state. The team compiled a 10-8 record during the regular season with the highlight being a huge upset over previously unbeaten Shrewsbury High School at Sterling National. It is important to note that this was the only loss all year for Shrewsbury who would later win the State Championship. The team finished fourth in the Mid-Wach A regular season standings, fourth in the Mid-Wach A League Championship Tournament at Townsend Ridge Country Club and third in the District E Tournament held at Juniper Hills Country Club which earned it a trip to the State Championship. The team qualified for the District Tournament for the eleventh time in the past twelve years. Jon Powers led the team with a 39.23 scoring average for the second year in a row and he was also selected as the team's Most Valuable Player again. Other postseason awards went to Brice Erickson as the Most Improved Player and Dalton Goddard received the Coach's Award for his dedication to the team and the sport. Dillon Roy will return for his second year as team captain and he will be joined by Brice Erickson in that leadership capacity. With thirteen returning lettermen, the golf team looks to be a force in the Mid-Wach A in the foreseeable future.

If you judge our season based solely on our record, you would get the wrong impression of our season. Due to the fact that we had such a small and inexperienced team, we did not have the chance of winning any dual matches. Despite all of this our wrestlers made tremendous improvement by the end of the season. Based off individual performances we had a much better season than our record indicated.

Jessica,
I am so proud of you on this special day. Always remember
to treat others the way you would like to be treated and you
will succeed in life. Follow your dreams in the entertainment
world and one day I will see you in the movies!
You will forever be my "Jessy Boo" Congratulations!

Love, your Madre

Christian Noel Morales

Christian,
Even though your mother is in heaven right now.
She is smiling at you with full of love and pride on
this special day. She loved you dearly Christian.
You will forever be considered my son and I too
love you very much. Love your guardian, Jackie

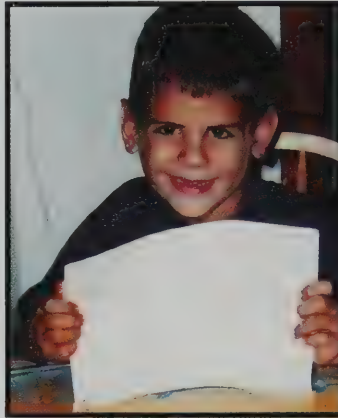

David Tufts

Be strong in the Lord
And never give up hope
You're going to do great things
We already know
God's got His hand on you
So don't live in fear
Forgive and forget
But don't forget why you're here
Take your time and pray
And Thank God each day
His love will find a way

We love you and are so proud of
who you are!

Love- Dad, Mom, and Ashly

Jackie V. Aikey

From a precious Q to a Dollie Do, you've always been Queen Bee to a few. Nan & Non & Tiny too, Zak, Dad and Mom to name a few.

You thought the church name was "The Woman of the River", Com & Jerry, Mrs. Tilden was a giver. You've gone from dance and skating too, from gymnastics & cheering for the Blue. No matter what, you've made us proud. You've made your mark, yelled "Ready!" so loud. Valentine Cats was always your thing, silver and gold and all kinds of rings.

Number 22-you wore it so well, always in school before the bell. From STA to LHS our Jackie V. you're the best!

We love you more than you could know and college bound you're sure to go.

God Bless you as you leave this place, watch over and guide you as you enter the race.

Stay strong & recall all you've learned on the way at LHS & STA.

With Much Love,

Mom, Dad, Tiny, Zak, Nan & Non

Anthony Joseph DeCicco

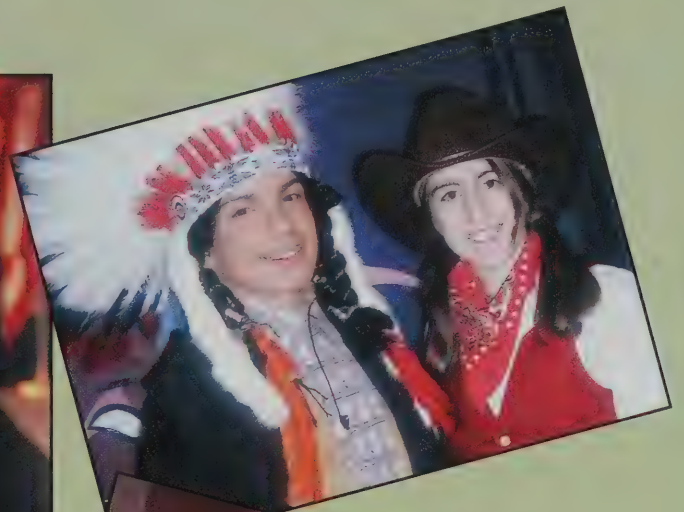

You have grown as a scholar, musician, actor, and most importantly, a gentleman.

You have brought us such pleasure watching you express your talents and never ending thirst for learning. We know that your growth and successes of the past will follow you and serve you well in your future endeavors.

With your great personality, dedication, and wit, you will be able to accomplish anything in life you pursue.

Always remember how much we all love you and how proud we are to have you in our lives

Love, Mom, Dad, & Maria
